### About

My name is Gezahegn Nigatu and I am a highly motivated and skilled computer science graduate from Arba Minch university, Ethiopia. I am graduating with a bachelor of science degree with great distinction, achieving a GPA of 3.92 out of 4 and Scoring 75 % in the National Exit Exam. I have a strong foundation in programming and computer skills, which i have developed through my coursework and internship experience. During my internship at Dan energy research and development plc, I worked as a software engineer, where I worked on a team to develop a smart parking system. In addition to my technical skills, I am also a good communicator and have strong interpersonal skills.
